

MANDY WARTHAN, M.D. MOLLY WARTHAN, M.D.

SPECIALTY: DERMATOLOGY

At Warthan Dermatology Center, the motto “Let our family take care of yours” holds true. Sisters Drs. Mandy Warthan and Molly Warthan, both dual-board certified dermatologists, take care of their patients as if they were members of their own family. Warthan Dermatology Center provides medical, surgical, and cosmetic dermatology care for adults and children. Dr. Mandy Warthan is also a dermatopathologist and Dr. Molly Warthan is a fellowship trained Mohs micrographic skin cancer surgeon.

Warthan Dermatology opened the Aesthetic, Laser, and Surgery Center last year, offering the most advanced skin care procedures available including C02 fractional skin resurfacing, CoolSculpting, Botox, Dysport, Juvederm, Restylane, skin tightening, laser hair removal, photofacials, spider vein treatments, chemical peels and microdermabrasion, Obagi, Neocutis, Jane Iredale, and Clarisonic.
